1. Fundraising Goals

The fundraising goals for the PAC is to bring enrichment opportunities to the students each year. These opportunities will be spread across the following categories:

1. Educational (science, technology, engineering, math)
2. Cultural / Arts
3. Sports
4. Life Skill

This year, we will bring the following programs to the school:

1. Science Alive
2. Tennis BC
3. First Aid & Training for Grades 6 & 7

2. Fundraising Activities

Our fundraisers this year will be:

- Purdy's chocolates Nov / March
- Gift cards
- Raffle April / May

The raffle fundraiser is a new one to KGMS. We will ask for a donation of 3 prizes; a Nintendo Switch (value \$400), an Apple Watch (value \$500), a cell phone, tablet or laptop (value \$450). In exchange for the donation of one of these items, the school has agreed to issue the volunteer hour quota, resulting in a refund from the school of \$400.

Our goal is to have each student sell 10 tix at \$5.00 each and the class with the most ticket sales wins a casual day and pizza lunch. The students with the top ticket sales will also win a prize.

The estimated revenue from this raffle will be \$6,000. The funds will be used towards student enrichment. We will discuss the best use of these funds with Dr. Christopher and pick our fundraising goal prior to the raffle.

3. Volunteer Requirements

All volunteer requests will be managed through signup.com.
